

ATTENTION RESIDENTS! WANT TO RECYCLE?

Here's how:

1 Collect Your Recyclables

Check the Recycling Guidelines on the other side to ensure you're recycling the right items.

Remember to keep them:

EMPTY

Remove all packaging material from boxes and flatten them to save space in the bins.

CLEAN

Leftover food and liquids can contaminate recycling. Make sure your recyclables are clean and dry!

LOOSE

Recyclables cannot be properly sorted if they are stuffed in bags or boxes. Be sure to empty them into the bins so that the materials are loose.

Do not place plastic bags in the bins. Many stores accept plastic bags for recycling or reuse.

2 Take Them to a Recycling Drop-Off Site Near You!
